## **12.0 JOINT BOARD**

### **INTRODUCTION**

**12.1** Since the signing of the Protocol, the Executives of Bolsover and North East Derbyshire District Councils and of Chesterfield Borough Council have each agreed that a Joint Board with formal decision making powers should replace the member-level Steering Group referred to in the Protocol.

**12.2** Each Council's Executive has authorised its Leader to decide all matters relating to joint working, in consultation with the Leaders of the other two Executives. The scope of this authorisation is set out in Part Three of this constitution. Other Executive members are authorised to act in the absence or unavailability of the Leader as shown in Part Three. The authorisation covers matters leading up to and following any decision to operate joint working or a shared service, but that decision itself is reserved to each authority's full Executive meeting.

**12.3** This type of member-level governance for joint working is a variation of the DCLG's option of Simultaneous Executive Meetings (SEM's).

**12.4** Any decision of the three Leaders (or their reserve executive members) shall bind the three executives only if all three Leaders (or their reserve executive

members) agree. In the case of any project affecting two of the three councils, both Leaders must agree, and the third Leader has consultative status only.

- 12.5** The Joint Board shall be the overall member-level governance body for each approved shared service. The Board may approve alternative types of operating model in any appropriate shared service (eg a local authority company).
- 13. SELECTION OF HOST AUTHORITY:** <sup>61</sup> **A decision as to which authority will be the host will be determined during the development of the business case for joint working. Each case will be treated on its merits.**

**Selection criteria will include:**

- **Current performance levels and expertise**
- **Joint service needs - e.g. geographical considerations**
- **Financial considerations**
- **Accommodation requirements/availability**
- **Equity of provision across partners**

**14. Officer Support and Joint Union Consultation**

The Board shall from time to time decide on the nature and resourcing of officer support and union consultation arrangements. These are currently:

**14.1 Chief Executive's Joint Working Group**

Comprising the chief executive of each authority, other relevant officers and consultants. This Group's function is to discuss and co-ordinate joint working issues and to put forward proposals for the Joint Board's consideration. Administrative services for this group are currently provided by Bolsover District Council at their own expense.

**14.2 Other Officer Working Groups**

The Joint Board may authorise other officer joint officer working groups in relation to specific joint working proposals and projects.

**14.3 Joint Working Consultation Forum**

This comprises union and management representatives of the three authorities. Its function is to facilitate the resolution of workforce issues relating to joint working.

Administrative services for this group are currently provided by North East Derbyshire District Council at its own expense.

## **15. Administrative and Democratic Services for the Joint Board**

The Joint Board shall from time to time decide its arrangements for administrative and democratic services consistent with those applying in each authority. At present the arrangements are:

### **15.1 Pre-Meeting Procedures:**

Democratic services are at present provided by Chesterfield Borough Council, at their own expense.

The relevant proper officer (currently Chesterfield) shall determine whether or not any report for the joint board is to be marked as likely to disclose exempt or confidential information, in consultation with the proper officers of the other two authorities.

The responsible Democratic Services Officer (currently Chesterfield) will send to the relevant Democratic Services officer in each of the other 2 authorities:

- the agenda and written reports for Joint Board meetings at least 7 clear days before each meeting of the Joint Board, to allow public reports to be made available to the public under regulation 6
- at least 30 clear days before a private meeting, notice of an intention to hold the meeting of the Joint Board in private and statement of reasons for the meeting to be held in private, unless this is impracticable and the three authorities have obtained agreement, as set out in Regulation 5(6)

of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

Any question of exemption from call-in on the grounds of urgency or any other reason (in accordance with each authority's rules) shall be decided before the Joint Board meets by the Chief Executives of each authority in consultation with their Leaders.

### **15.2 Joint Board Meetings**

The Joint Board shall meet every 2 months, unless it decides otherwise. Unless it otherwise decides, the Board shall meet in public, except when considering exempt or confidential items. In the case of all items, (whether or not exempt or confidential), the Board may invite any person to attend and speak for the purpose of decision making and consultation.

Chesterfield Borough Council's Leader's non-executive support members may attend Board meetings and may speak

For the purposes of consultation, each of the three Leaders (or their reserve executive members) shall chair meetings of the Joint Board held at that Leader's own Council Offices <sup>62</sup>.

The three Chief Executives, or their representatives shall attend Board meetings, with appropriate Directors, Strategic Support Policy and Best Value, Quality and Improvement (or equivalent) Officers of the 3 Councils and other members or officers as agreed by the Board.

Overview and Scrutiny members may attend Joint Board meetings as observers as mentioned below.

### **15.3 Joint Board: Records of Decision and Call-in**

Within 2 working days of the date of a decision, the Democratic Services Officer (currently Chesterfield) will forward a formal Record of Executive Decision, signed by each Leader (or reserve member) to a nominated officer in each of the other two authorities. The relevant officers in each authority will then be responsible for:

- Compliance with the access to information regulations on publication of executive decisions
- Reporting the Record of Decision to each authority's executive, and
- Call-in procedures

The decision shall be subject to the call-in procedures in each authority, provided that the decision shall not be implemented by any authority until the expiry of 9 working days from the date of the decision. (9 working days is the call-in period of Bolsover DC, which is the longest of the three authorities' call-in periods).

If no valid request for call-in is received under any of the three authorities' call-in procedures, the decision may then be implemented.

If there is a valid request for call-in under any of the authorities' call-in procedures, the decision shall not be implemented until that authority's call-in procedure has been completed.

### **16.0 Terms of Reference and Functions of the Joint Board**

In general terms these are as described in the Leader's delegation in Part 3 of this constitution. Specific terms of reference within that general delegation include:

- Decisions on the operating model for any shared service (e.g. Lead Authority, local authority company)
- Procurement Issues
- Organisational and staffing issues which are executive functions
- Options Appraisal
- Monitoring the operation of approved shared services

The Joint Board may recommend that any issue which is a non-executive function (e.g. terms and conditions of employment of particular staff) be referred to the appropriate authority's non-executive decision-making body (e.g. employment committee).

## **17.0 Overview and Scrutiny**

Each authority may arrange for one of its overview and scrutiny members to attend meetings of the joint Board as an observer, substitutes being allowed. In due course, the authorities may consider joint member-level arrangements for general overview and scrutiny of joint working, so as to avoid duplication of overview and scrutiny functions.

## **18.0 Dispute Resolution**

If there is a dispute or inability to reach a decision on a specific item at any joint officer working group, then that item will be referred to the Chief Executives group for decision. In the event of continuing disagreement the matter would be referred to the Joint Board, and from there if necessary to the respective Councils' Executives.

- (b) due consultation and the taking of professional advice from officers;
- (c) respect for human rights;
- (d) a presumption in favour of openness;
- (e) clarity of aims and desired outcomes;
- (f) an explanation of the options considered and the reasons for decisions and
- (g) compliance with the law about political motives for decisions.

### **13.3 Politics and decision making**

Councillors may lawfully support a policy adopted by their party, but they must not abdicate their responsibility and duty of exercising personal judgement. Elected politicians of course wish to act in a manner which will commend them and their party to the electorate. Councillors do not act improperly or unlawfully if, exercising public powers for a public purpose for which such powers were conferred, they hope that such exercise will earn the gratitude and support of the electorate and thus strengthen their electoral position. But a public power is not exercised lawfully if it is exercised not for a public purpose for which the power was conferred but in order to promote the electoral advantage of a political party.<sup>65</sup>

The Code of Conduct at Part 5 of this Constitution sets out the principles of conduct that all councillors must follow.

### **13.4 Principles of Consultation <sup>66</sup>**

The duty to consult may be imposed by statute or may arise because the parties to be consulted have a legitimate expectation of consultation which arises either from a promise or for an established practice of consultation. What kind and amount of consultation is required in a particular case must depend on the circumstances. A few general principles can, however, be stated.

The process of consultation must be effective; looked at as a whole, it must be fair. This requires that: consultation must take place while the proposals are

still at a formative state; those consulted must be provided with information which is accurate and sufficient to enable them to make a meaningful response; they must be given adequate time in which to do so; there must be adequate time for their responses to be considered; the consulting party must consider responses with a receptive mind and a conscientious manner when reaching its decision.

## **13.5 Types of decision**

### **13.5.1 Decisions reserved to full Council**

Decisions relating to the functions listed in Article 4.2 will be made by the full Council and not delegated.

### **13.5.2 Key Decisions**

A 'Key Decision' will be included in the Forward Plan. It is an executive decision which is likely:

- (a) to result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the Borough.<sup>67</sup>

The Council has adopted<sup>68</sup> the following working definition of a "key decision":

A decision on a report or decision by an officer which falls within any of the following working definitions is a Key Decision:

- A decision to spend £100,000 or more from an approved budget
- A decision to transfer funds of more than £50,000 from one budget to another
- A decision which would result in a saving of £50,000 or more to any budget head
- A decision to dispose of or acquire any interest in land or buildings with a value of £50,000<sup>69</sup> or more
- A decision to propose the closure of, or a reduction by, more than ten (10) percent in the level of service (for example in terms of funding, staffing or hours of operation) provided from any facility from which the Council services are supplied

- A decision which will have a significant impact in environmental, physical, social or economic terms on communities living or working in one or more electoral wards
- A decision regarding any plans or strategies which are not within the meaning of the Council's policy framework set out in Article 4 of the Constitution

A decision taker may only make a key decision in accordance with the requirements of the Cabinet Procedure Rules set out in Part 4 of this Constitution.

### **13.6 Decision-making by the full Council**

Subject to Article 13.8, the Council Meeting will follow the Council Procedure Rules set out in Part 4 of this Constitution when considering any matter.

### **13.7 Decision-making by the Cabinet**

Subject to Article 13.8, the Cabinet will follow the Cabinet Procedure Rules set out in Part 4 of this Constitution when considering any matter.

### **13.8 Decision-making by Scrutiny Committees**

The Scrutiny Committees will follow the Scrutiny Procedure Rules set out in Part 4 of this Constitution when considering any matter.

### **13.9 Decision-making by other committees and sub-committees established by the Council**

Subject to Article 13.8, other Council Committees and Sub-Committees will follow those parts of the Council Procedure Rules set out in Part 4 of this Constitution as apply to them.

### **13.10 Decision-making by Council bodies acting as tribunals**

13.10.1 The Council, a Councillor or an officer acting as a tribunal or in a quasi-judicial manner or determining/considering (other than for the purposes of giving advice) the civil rights and obligations or the criminal responsibility of any person will follow a proper procedure which accords with the requirements of natural justice and the right to a fair trial contained in Article 6 of the European Convention on Human Rights.

13.10.2 Article 6 states that *in the determination of his civil rights and obligations or of any criminal charge against him, everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law. Judgement shall be pronounced publicly but the press and public may be excluded from all or part of the trial in the interests of morals, public order or national security in a democratic society, where the*

*interests of juveniles or the protection of private life so require, or to the extent strictly necessary in the opinion of the court in special circumstances where publicity would prejudice the interests of justice.*

13.10.3 Though failure to comply with Article 6 by a council body in any particular case may be corrected by a right to appeal to another independent body or to a court, compliance by the council body is still required, since that appeal body will review the entire appeal process including the council's part in it.

13.10.4 In many cases council bodies can conduct a hearings in private in the interests of the private life of the parties, and in the interests of justice, as stated in the qualification to Article 6.

However Article 6 requires that judgement be pronounced publicly and since that requirement (unlike the requirement for a public hearing) is **not** qualified, Council bodies should make public their decisions on appeals. This may often be done by the publication of a Minute or Record of Decision without disclosure of exempt or confidential information or disclosure of information which would run against the purpose of Article 6. Special arrangements for fuller access to the details of a decision may be made for those with a legitimate interest in it.

13.10.5 Case law<sup>70</sup> says that there is a discretion in respect of the method chosen to publish a judgement, but there is no discretion to decide to keep it entirely confidential. The form of publicity given to a judgement must be assessed in the light of the special features of the proceedings in question and by reference to the object and purpose of Article 6 taking account of the public interest and the need to safeguard private or confidential information.

## **14.0 ARTICLE 14 – FINANCE, CONTRACTS AND LEGAL MATTERS**

### **14.1 Financial management**

The management of the Council's financial affairs will be conducted in accordance with the financial regulations and procedures set out in Part 4 of this Constitution.

### **14.2 Contracts**

Every contract made by the Council will comply with this Article and with the Contracts Procedure Rules set out in Part 4 of this Constitution.

### **14.3 Legal proceedings**

#### **14.3.1 General**

Subject to any specific delegations in Part Three of this Constitution, the Head of Legal Services (as the Council's Senior Solicitor) is authorised to institute, defend or participate in any Legal Proceedings or to take Counsel's opinion on any matter, in any case where such action is necessary to give effect to decisions of the Council or in any case where the Head of Legal Services considers that such action is necessary to protect the Council's interests. (the meaning of "**Legal Proceedings**" is defined in part 3 of this Constitution<sup>71</sup>).

#### **14.3.2 Statements of Truth**

The Chief Executive, each Executive Director, the Chief Finance Officer and each Service Manager (or any other officer authorised by any of them) is authorised to prepare and sign Statements of Truth in connection with any Legal Proceedings.

#### **14.3.3 Authorising Employees to Attend Court**

The Head of Legal Services is authorised to authorise any appropriately qualified employee of the Council to represent the Council in the Magistrates Court or in the County Court pursuant to section 223 and 101 of the Local Government Act 1972, Paragraph 1 of Schedule 3 Legal Services Act 2007 and all other enabling powers.

### **14.4 Procedural Matters**

The Chief Executive, each Executive Director and each Service Manager is authorised:

- To serve any notice and comply with any statutory procedure (unless otherwise delegated in Part 3 of this Constitution) which is required to give

effect to any policy of the authority or any decision made by or on behalf of the authority.

- To serve notices pursuant to Section 16 of the 1976 Act (finding ownership of land etc.) in respect of executive or non-executive functions.
- In any case where entry to premises is required urgently, to exercise any power or duty of the authority, to apply to the Court in order to obtain entry to premises under Section 287 of the 1936 Act, the 1990 Act and the LBA or any other like provision.
- To carry out the certification functions under the Local Government (Contracts) Act 1997 (certification of contracts as within the legal powers of the authority) whenever considered necessary.
- To appoint in writing officers and such other persons as might be necessary for the purpose of exercising the Council's legal powers or duties, unless otherwise delegated in Part 3 of this Constitution (except where such a delegation is given to the Chief Executive, an Executive Director, Service Director or a Service Manager in which case that delegation may be overridden by this paragraph but only by the Chief Executive, Executive Director, Service Director or Service Manager to which that delegation has been given), including (but not limited to) entering and inspecting land and premises, making investigations, obtaining information, obtaining samples, seizing food or any other articles, things or matter and issuing and serving notices (including fixed penalty notices).

#### **14.5 Authentication of documents**

Where any document is necessary to any legal procedure or proceedings on behalf of the Council, it will be signed by the Chief Executive, Executive Director or appropriate Service Director or Service Manager or by some other person authorised by any of them in writing, (subject to 14.6 below) unless any enactment otherwise authorises or requires, or unless the Council has given requisite authority to some specified person (for example in Part 3 of this Constitution).

#### **14.6 Contracts<sup>72</sup>**

All Council contracts shall be in writing or evidenced by writing except those mentioned in Financial Procedure Rule 4.29 (see Part 4 of this Constitution) as exceptions to that rule. Writing includes writing in electronic form provided that a permanent record of the writing is kept either on paper or in electronic form.

Any contract for the supply of goods and materials<sup>73</sup>, for the supply of services or for the execution of works for the Council shall be either sealed on behalf of the Council or signed in accordance with the Council's Contract Procedure Rules (see Part 4 of this Constitution). Where available and appropriate the Council's seal and/or a signature may be applied by electronic means.<sup>74</sup>

This paragraph 14.6 applies to contracts in the course of the discharge of both executive and non-executive functions.

#### **14.7 Common Seal of the Council**

The Common Seal of the Council will be kept in a safe place in the custody of the Head of Legal Services.

A decision of the authority, or of any part of it, will be sufficient authority for sealing any document necessary to give effect to the decision. The Common Seal will be affixed to those documents which in the opinion of the Head of Legal Services should be sealed.

The affixing of the Common Seal will be attested by either:

- the Mayor (or the Deputy Mayor) and by an authorised signatory  
OR
- two authorised signatories<sup>75</sup>

In this paragraph 14.7 “authorised signatory” means the Head of Legal Services and/or any other person authorised by them in writing and “authorised signatories” shall be interpreted accordingly. Production of a copy of this paragraph 14.7 shall be sufficient authority of these authorisations.

Where available and appropriate the Council's seal may be applied by electronic means.<sup>76</sup>

## **15.0 ARTICLE 15 – REVIEW AND REVISION OF THE CONSTITUTION**

### **15.1 Duty to monitor and review the constitution**

The Monitoring Officer will monitor and review the operation of the Constitution to ensure that the aims and principles of the Constitution are given full effect.

#### **Protocol for monitoring and review of constitution by the Monitoring Officer**

A key role for the Monitoring Officer is to be aware of the strengths and weaknesses of the Constitution adopted by the Council, and to make recommendations for ways in which it could be amended in order better to achieve the purposes set out in Article 1. In undertaking this task the Monitoring Officer may:

- observe meetings of different parts of the member and officer structure;
- undertake an audit trail of a sample of decisions;
- record and analyse issues raised with them by members, officers, the public and other relevant stakeholders; and
- compare practices in this authority with those in other comparable authorities, or national examples of best practice.

### **15.2 Changes to the Constitution<sup>77</sup>**

- (a) **Approval.** Changes to the constitution (other than those changes which the Constitution itself provides may be dealt with otherwise) must be approved by Standards and Audit Committee unless appropriate, or required by law, to be approved by the full Council (or Leader or Cabinet)<sup>78</sup>. Routine updating of the Constitution, including changes to / addition of legislation where it is clear which function and delegation the legislation relates to, is delegated to the Monitoring Officer<sup>79</sup>.
- (b) **Change to a different form of executive arrangements or to alternative arrangements.** The Council must take reasonable steps to consult with local electors and other interested persons in the area when drawing up proposals.

## **16.0 ARTICLE 16 – SUSPENSION, INTERPRETATION AND PUBLICATION OF THE CONSTITUTION**

### **16.1 Suspension of the Constitution<sup>80</sup>**

#### **(a) Limit to suspension.**

The Articles of this Constitution may not be suspended.

Subject to the law and to any specific rules elsewhere in this Constitution providing for suspension (such as suspension of rules relating to competition and tendering for contracts in the contract procedure rules (Part Four) and the rules for suspension of the Standing Orders in the Council Procedure Rules in Part four)), the Rules specified below may be suspended by the full Council.

#### **(b) Procedure to suspend.**

A motion to suspend any rules will not be moved without notice unless at least one half of the whole number of councillors are present. The extent and duration of suspension will be proportionate to the result to be achieved, taking account of the purposes of the Constitution set out in Article 1.

#### **(c) Rules capable of suspension.** The following Rules may be suspended in accordance with Article 16.01:

Council Procedure Rules (Standing Orders) - Part 4

Financial Procedure Rules - Part 4

Contract Procedure Rules - Part 4

### **16.2 Interpretation**

The ruling of the Mayor as to the construction or application of this Constitution or as to any proceedings of the Council shall not be challenged at any meeting of the Council. Such interpretation will have regard to the purposes of this Constitution contained in Article 1.

### **16. Publication**

The Constitution is available on the Council's website and will be made available as necessary as required by law.

## **Schedule 1: Description of Executive Arrangements**

The following parts of this Constitution constitute the executive arrangements:

1. Article 6 (Scrutiny) and the Scrutiny Procedure Rules;
2. Article 7 (The Cabinet) and the Cabinet Procedure Rules;
3. Article 11 (Joint Arrangements)
4. Article 13 (Decision Making) and the Access to Information Procedure Rules;
5. Part 3 (Responsibility for Functions).
6. Part 8 Names and details of Cabinet members and other Members of the Council and Committees.

### END OF PART TWO OF THE CONSTITUTION

---

<sup>1</sup> "principal or only place of work": under s. 79 (1) (c) of the 1972 act, this includes the performance of the duties of a councillor at the council's offices (Parker v. Yeo, Court of Appeal (1992) 90 L.G.R. 645). The term "work" had a wider meaning than "business" or "employment" and in its natural and ordinary meaning covered work as a councillor; there was no good reason for adopting a more restricted meaning. "Employed" means paid or unpaid employment: R v Ealing LBC ex p. Fox (Anthony) 1998 The Times 9 March.

<sup>2</sup> *The following Article is intended to clarify the key roles and duties of councillors. Some Councils have prepared 'job descriptions' for councillors and this approach could be used as well as or instead of the model text provided below. An example of definitions of roles is set out below. Councils should consider the content of these and the suggested text in the Article to determine a locally meaningful and appropriate description of key roles and duties. There are some common elements that should be expressed in the role definition. Local authorities should ensure that it reflects a view of the Council as a corporate body of all elected councillors, and therefore that all councillors have a responsibility for the good governance of the local authority. The definition should reinforce the community leadership role of councillors, for example in the new forms of Council meeting which will develop (see introduction to Article 4) and in agreeing the community strategy. It should reflect the increased potential for the councillor to develop a representational role and to act as a link and point of mediation between the local authority and the community. It should contain a statement of the councillor's duty to adopt high standards of conduct in order to give expression to the General Principles of Conduct and the local authority's own Code of Conduct for councillors. There may be other roles specific to the locality that a local authority will want to include.*

<sup>3</sup> This does not mean that the council's own complaints process must have been exhausted before the ombudsman will consider a complaint. The ombudsman requires complainants to raise their complaint direct with the council, and give the council a chance to respond. The ombudsman will normally allow about 12 weeks for the council to respond, but the ombudsman may get involved earlier if there are extenuating circumstances - letter from ombudsmen June 2002.

<sup>4</sup> Reg. 2(11) of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 says *Unless otherwise provided by any other provision of these Regulations, a function of a local authority which, by virtue of any enactment (includes regulations) passed or made before the making of these Regulations, may be discharged only by an authority, is not to be the responsibility of an executive of the authority.*

<sup>5</sup> S. 48 (5) of the LGA 2000: *Section 101 of the Local Government Act 1972 does not apply to the function of the passing of a resolution under any provision made by or under this Part.*

<sup>6</sup> LGA 2000 Sched 1 para. 2(4) *Section 101 of the Local Government Act 1972 does not apply to the function of determining the number of councillors under sub-paragraph (2)(a).*

<sup>7</sup> **Standing orders with respect to local authority contracts:** Regulation 8. of the Local Authorities (Executive Arrangements) (Modification of Enactments and Further Provisions) (England) Order 2001.

<sup>8</sup> "Investments" added by SI 2004 no.1158.

<sup>9</sup> Local Authorities (Functions and Responsibilities) (England) Regulations 2000 Regs. 4(1), 4 (3) (d) and 4 (8).

---

<sup>10</sup> The approval for consultation of the Local Plan is a full Council function and is excepted from the Executive Member Planning and Asset Management's portfolio in part 3 of this constitution. See Reg 2 of Statutory Instrument 2001 No. 2212 **The Local Authorities (Functions and Responsibilities) (England) (Amendment) Regulations 2001**.

<sup>11</sup> The functions of amending etc. plans in these two circumstances are Cabinet functions – see Cabinet portfolios under Plans and Strategies in Part 3 of this Constitution and reg. 4 (4) of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000.

<sup>12</sup> Local Authorities (Functions and Responsibilities) (England) Regulations 2000 Reg. 2 (5) (6) and (7). These functions must be exercised by the full council and may not be delegated to any council committee or officer.

<sup>13</sup> This is a non-delegable function of the full Council to the extent established by case law, which is uncertain with respect to the appointment of committees and sub-committees. *R v Brent LBC ex p. Gladbaum and Wood*, *The Times* 14.12.1989 established that only the full Council could appoint and remove members from committees. The case also said that subcommittees could only be appointed by committees (not directly by the full council). Where the full Council appoints sub-committees, the parent committee should at least confirm the appointments.

Section 102 (1A) (b) of the 1972 act (inserted by reg. 4 (a) of the Local Authorities (Executive Arrangements) (Modification of Enactments and Further Provisions) (England) Order 2001 reflects this position by giving area committees the independent statutory right to appoint sub-committees.

<sup>14</sup> Note also the Licensing Act 2003 s. 7(1) *All matters relating to the discharge by a licensing authority of its licensing functions are, by virtue of this subsection, referred to its licensing committee and, accordingly, that committee must discharge those functions on behalf of the authority.* Exceptions to this are the rule that only the full council shall determine the Council's Licensing Policy, and that the full council must discharge the licensing committee's functions where the licensing committee is unable to discharge any function delegated to it in accordance with this section because of the number of its members who are unable to take part in the consideration or discussion of any matter or vote on any question with respect to it (s.7(9)).

<sup>15</sup> S 67 of the Local Government Finance Act 1992 requires these functions to be exercised by the full Council.

<sup>16</sup> Local Authorities (Functions and Responsibilities) (England) Regulations 2000 Reg. 4(9)(10) and (11).

<sup>17</sup> Local Authorities (Functions and Responsibilities) (England) Regulations 2000 Reg. 5.

<sup>18</sup> These reports must be considered by the full Council in relation to non-executive functions only. For executive (Cabinet) functions, these sections of the acts have been amended by the Local Authorities (Executive and Alternative Arrangement) Modification of Enactments and Other Provisions) (England Order 2001 Regs. 20, 21 and 23, to require these statutory officers to report to the Cabinet (rather than to the Council), and for the Cabinet (rather than the Council) to consider them. Copies must still be sent to all members of the authority individually.

<sup>19</sup> S. 239 LGA 1972 *A resolution of a local authority to promote or oppose a Bill under subsection (1) above shall be—*

(a) *passed by a majority of the whole number of the members of the authority at a meeting of the authority held after the requisite notice of the meeting and of its purpose has been given by advertisement in one or more local newspapers circulating in the area of the authority, such notice being given in addition to the ordinary notice required to be given for the convening of a meeting of the authority; and*

(b) *in the case of the promotion of a Bill, confirmed by a like majority at a further such meeting convened in accordance with paragraph (a) above and held as soon as may be after the expiration of fourteen days after the Bill has been deposited in Parliament and, if the resolution is not confirmed, the local authority shall take all necessary steps to withdraw the Bill.*

<sup>20</sup> S 31 A Local Government act 1974. The requirement for the full Council to consider these reports in these circumstances applies also to executive functions (as well as to council functions) under the new s. 31(2A)

<sup>21</sup> Section 8 of the Audit Commission Act 1998 requires the auditor to consider whether in the public interest he should make a report on any matter coming to his notice in the course of the audit in order that it may be considered by the Council or brought to the attention of the public. He is also to consider whether the public interest requires an immediate report rather than a report at the conclusion of the audit. Section 11(8) requires the full council to consider and take any action on the report. This seems to apply to both executive and non-executive functions.

<sup>22</sup> Each licensing authority must in respect of each three year period-

- 
- (a) determine its policy with respect to the exercise of its licensing functions, and  
(b) publish a statement of that policy (a "licensing statement") before the beginning of the period.

<sup>23</sup> Licensing Act 2003 section 7(9)

<sup>24</sup> Section 37(1) LGA 2000 states that *a local authority which are operating executive arrangements or alternative arrangements must prepare and keep up to date a document (referred to in this section as their constitution)*, but there is no requirement for the full council to approve the document or changes to it. However the approval of the document or changes to it cannot be an executive function, and must therefore be approved either by the full council or by a council committee: *S 48 (6) Any functions conferred on a local authority by virtue of this Part are not to be the responsibility of an executive of the authority under executive arrangements*. Changes to the scheme of delegation of executive functions however may only be made in accordance with s 15 LGA 2000 (scheme of delegation to be approved by full council, Leader or Cabinet) (see Cabinet Procedure Rules) with a statutory default power (and express power) for the Leader to change this scheme of executive delegations in certain circumstances. Major changes to the FORM of executive arrangements require statutory procedures involving the full council and consultation.

<sup>25</sup> The Code of Audit Practice recommends a non-statutory report, called a "management letter". This is: "addressed to members which will give a summary of the audit activities and details of the significant matters which have arisen from all aspects of the audit" (para. 55(f)). Letters may be issued in full or summary form with all issues of substance or significance (para. 84). While there should normally be one only each year, auditors should consider whether to issue an interim management letter in exceptional circumstances (para. 85). A management letter should be discussed in draft form with the officers and, the auditor having ensured that the final letter is issued to all members, should seek a meeting with members to answer questions.

<sup>26</sup> (s 151 LGA 1972: Financial administration : *(Without prejudice to section 111 above, every local authority shall make arrangements for the proper administration of their financial affairs and shall secure that one of their officers has responsibility for the administration of those affairs)*). This covers e.g. the wider aspects of financial management

<sup>27</sup> Reduced from 3 committees (Overview and Performance Scrutiny Forum, Enterprise and Wellbeing Scrutiny Committee, Community, Customer and Organisational Scrutiny Committee) at Council annual business meeting 15/05/23

<sup>28</sup> The requirement for local authorities in England to establish overview and scrutiny committees is set out in sections 9F to 9FI of the Local Government Act 2000 as amended by the Localism Act 2011

<sup>29</sup> LGA 2000 s. 53(10) *A standards committee of a relevant authority... is not to be regarded as a body to which section 15 of the Local Government and Housing Act 1989 (duty to allocate seats to political groups) applies*. The non-statutory Standards Committee at its meeting on 6<sup>th</sup> November 2001 decided to recommend to the Council that the political balance rules should nevertheless be applied as a matter of local choice. However it also decided no political party considerations should apply to the selection of parish representatives (see below) so far as the Standards Committee is concerned.

<sup>30</sup> The Standards committee recommended to the Council that there should be no sub-committee set up to deal specifically with parish matters, taking account of the consultations carried out with Staveley and Brimington. It is the Council's final decision (not the Standards Committee's) whether or not to have a sub-committee, though if the council decides to have one, it is for the Standards Committee to appoint it. LGA 2000 section 55(4): *In deciding whether it will be their standards committee, or a sub-committee of their standards committee, which is to discharge the functions conferred by this section, a district council must consult the parish councils for which they are the responsible authority*. LGA 2000 section 55(3): *A standards committee of a district council... may appoint a sub-committee for the purpose of discharging all of the functions conferred on the standards committee by this section*.

The Standards Committee decided to recommend no sub-committee, but that one representative from each of the parish councils should be appointed to the main Standards Committee. The Standards Committee decided that if in future it considers that a sub-committee is needed, one should be set up.

<sup>31</sup> Increased from 5 to 6 by full council May 2019

<sup>32</sup> Section 55(5) LGA 2000: *A standards committee of a relevant authority in England which are operating executive arrangements- (a) may not include the elected mayor or executive leader*. The Standards Committee decided not to recommend that the Council to extend this statutory prohibition, as a matter of local choice, to the Deputy Leader as well, as some councils have done.

---

<sup>33</sup> Reg 4(1)(b) Standards Committee (England) Regulations 2008.

<sup>34</sup> After consultation, the Standards Committee recommended two representatives (one from Staveley and one from Brimington) on the main Standards Committee. Reg 4(2) Standards Committee (England) Regulations 2008 says that a responsible authority must have at least two parish representative members on standards committee, neither of whom must be also members of the responsible authority (i.e. they must not also be members of CBC)

<sup>35</sup> LGA 2000 section 53(8) now repealed) *said a member of a standards committee of a relevant authority in England... who is not a member of the authority is entitled to vote at meetings of the committee. The council has chosen to retain parish members on its standards and audit committee.*

<sup>36</sup> LGA 2000 s.55(6).

<sup>37</sup> Reg 3(2)(b) Relevant Authorities (Standards Committees) Regulations 2000 (repealed)

<sup>38</sup> Reg 6 2001 Regulations— these rules apply despite any other general rules as to quorum elsewhere in his constitution.

<sup>39</sup> Reg. 8 Standards Committee (England) Regulations 2008

<sup>40</sup> That is - councillors of Chesterfield Borough, Brimington Parish and Staveley Town Councils

<sup>41</sup> Section 33 of the Localism Act 2011. This should be distinguished from the statutory role of the head of paid service in granting dispensations for “conflicts of interest” (I.e. wider than dispensations relating to disclosable pecuniary interests under the code of Conduct) in respect of executive decisions to be made by Cabinet, an individual executive member or an officer (see Part 4).+

<sup>42</sup> LGA 2000 s.55(11).

<sup>43</sup> Only non-executive functions may be delegated to the Standards Committee. Therefore the former delegation **Failure to Attend Meetings S050** *To approve or otherwise for the purposes of Section 85 of the Local Government Act, 1972 the reason(s) for the failure of any member to attend meetings of the authority*, which is an executive function, has been transferred to the Cabinet (Corporate Resources Executive Member's portfolio).

<sup>44</sup> *Councils may arrange for their Standards Committee to exercise such other functions as the Council considers appropriate. According to local choice, Standards Committees could also undertake roles including:• overview of internal and external audit;• overview of the whistle blowing policy;• overview of complaints handling and Ombudsman investigations; and• oversight of the constitution.*

<sup>45</sup> This will replace the existing Standards Committee delegation **S030** *To respond to consultations on and approve any revised code of conduct for employees of the Council*. It is assumed that this will be a non-executive function, since it concerns the terms and conditions of employment.

<sup>46</sup> On 8 August 2000, Ministers asked the LGA, the Employers Organisation and the public sector unions to work together on drawing up proposals for such a code of conduct. Their proposals were submitted towards the end of November 2000 and the Government intended to issue a draft code - see Part 5 of this Constitution.

<sup>47</sup> 10 (3) Subject to paragraph (5), in respect of all relevant bodies referred to in regulations 7(1) and 7(6)—(a) the statement of accounts as required by regulation 7(1) or regulation 7(6), as the case may be, shall be approved by a resolution of a committee of the relevant body or otherwise by a resolution of the members of the body meeting as a whole, such approval to take place as soon as reasonably practicable and in any event before the 30th June immediately following the end of a year...

<sup>48</sup> Approved by full council on 15<sup>th</sup> October 2008 - see para. 2.8

<sup>49</sup> 31A.—(1) *Subject to subsection (3) below, any power of authority to have their functions discharged by any person or body of persons acting for the authority shall, as respects the consideration of a further report of the Local Commissioner under section 31(2A) above, be subject to the restriction that, if it is proposed that the authority should take no action on, or not the action recommended in, the report, consideration of the report shall be referred to the authority.*

*31 (2A) In the case of a local authority which are operating executive arrangements, consideration of a further report of the Local Commissioner under section 31(2A) above by the executive of that local authority, or any person on behalf of that executive, shall be subject to a corresponding restriction.";*

*31(5A) In the case of a local authority which are operating executive arrangements -*

*(a) no member of the executive of that authority shall decide; and*

*(b) no member of the executive or any body acting on behalf of that executive shall vote on any question with respect to a report or further report under this Part of the Act in which he is named and criticised by a Local Commissioner."*

<sup>50</sup> Section 92 says - (1) *Where a relevant authority consider-*

*(a) that action taken by or on behalf of the authority in the exercise of their functions amounts to, or may amount to, maladministration, and*

---

*(b) that a person has been, or may have been, adversely affected by that action, the authority may, if they think appropriate, make a payment to, or provide some other benefit for, that person.*

Section 92 is a non-executive function and so cannot be carried out by the Cabinet. However the Cabinet can deal with Ombudsman cases which do not involve a section 92 payment or benefit. Part 3 of this Constitution allows the Cabinet (or the appropriate committee for non-executive functions) to deal with ombudsman cases not involving a section 92 payment.

<sup>52</sup> *Approved by Full Council 17<sup>th</sup> December 2014*

<sup>53</sup> *The Local Government Act 2000 and regulations enable local authorities to make use of joint arrangements with other authorities and delegate to other local authorities. Joint arrangements (including joint committees) are well established within local government, although their use has tended to be concentrated on facilities where economies of scale make sharing practicable – for example crematoria or laboratories. Delegation to other local authorities is not widely employed. The regulations under the Local Government Act 2000 specify the different permutations for the delegation of executive functions depending on the types of local authorities involved. However, there are new possibilities for joint arrangements as a result of changes taking place in the relationship between health and social services, including provision for pooled budgets and the creation of new joint agencies. Similarly, Part I of the Local Government Act creates greater flexibility for partnership arrangements in the promotion of economic, social and environmental well-being. To avoid frequent amendments to this Article as new possibilities become available, authorities may wish to build up relevant protocols in later sections of the Constitution.*

See S 2, 19 and 20 LGA 2000 Chapters 6 and 9, DETR Guidance, The Local Authorities (Arrangements for the Discharge of Functions) (England) Regulations 2000

<sup>54</sup> The Annex to the DETR Guidance on the power of well-being (March 2001) says: *Under a new constitution which includes executive arrangements, the executive – as the clear, accountable, corporate leadership for the council – will lead the search for best value and be the focus for partnership working with other local public, private and voluntary sector bodies. As such, the power in section 2 of the 2000 Act is the responsibility of the executive under executive arrangements, and is subject to all the same legislation as any other function which is the responsibility of the executive. This means that, unless the executive is minded to use the power in a manner which is contrary to the council's policy or budgetary framework, then **only the executive can determine how the power is to be exercised**. Decisions which are contrary to the policy and budgetary framework must, under executive arrangements, be taken by the full council.*

<sup>55</sup> This paragraph has also been included in Part 3 – Responsibility for functions – as a general Executive Member delegation.

<sup>56</sup> the Local Authorities (Arrangements for the Discharge of Functions) (England) (Amendment) Regulations 2001 in force on 1st January 2002.

<sup>57</sup> The only formal joint committee is the Joint Crematorium Committee, with North East Derbyshire and Bolsover District Councils s.101(5A) LGA 1972 added by reg 3(b) of the Local Authorities (Executive Arrangements) (Modification of Enactments and Further Provisions) (England) Order 2001 says *Arrangements made under subsection (5) above by two or more local authorities with respect to the discharge of any of their functions shall **cease to have effect** with respect to that function if, or to the extent that, the function becomes the responsibility of an executive **of any** of the authorities*. This means that the joint committee ceased to be able to operate on the adoption of executive arrangements by the first authority in time to adopt executive arrangements. The Joint Committee has been re-constituted under Section 20 of the 2000 act, as a joint arrangement between executives of the constituent authorities. The arrangements should be set out in full either here or in Part 3 of the Constitution.

<sup>58</sup> The Local Authorities (Executive and Alternative Arrangements) (Modification of Enactments and Other Provisions) (England) Order 2001 says **Performance of sewerage undertaker's functions by local authorities etc. 27. In section 97 of the Water Industry Act 1991 (performance of sewerage undertaker's functions by local authorities etc.) -**

*(a) after subsection (4), there shall be inserted -*

*" (4A) Where arrangements entered into for the purposes of this section provide for a local authority which are operating executive arrangements to carry out the sewerage functions of a sewerage undertaker on that undertaker's behalf -*

*(a) those sewerage functions shall be treated as functions of the authority for the purposes of section 13 of the Local Government Act 2000; and*

---

(b) if or to the extent that those sewerage functions are the responsibility of the executive of that authority -

(i) subsection (4) above shall not apply; and

(ii) sections 14 to 16 of the Local Government Act 2000 and any regulations made under sections 17 to 20 of that Act shall apply in relation to those sewerage functions only in so far as the arrangements do not provide otherwise.";

The Council's arrangements with Yorkshire Water may be affected by this provision.

<sup>59</sup> Councils may wish to make clear those functions to which this section currently or potentially applies.

<sup>60</sup> Some of these are now historic

<sup>61</sup> This is section 2 of the Protocol on Arrangements for Employees who transfer under Joint Working - authorised to be added to the constitution by a decision of the Joint Board on 20/12/06

<sup>62</sup> The originally approved arrangements for chairing consultation between the Leaders were that the Chair should rotate every 12 months. The Board changed these arrangements to each leader being chair at meetings held at his or her own council offices at the Board's meeting on 15/01/07

<sup>63</sup> *The chief executive should always be the head of paid service and cannot also be the monitoring officer. The monitoring officer and chief finance officer may not necessarily be chief officers but regardless of their status, councils will need to ensure they have access, as necessary, to meetings and that members consult them regularly. The duties of both the monitoring officer and chief finance officer (apart from the administration of the financial affairs of the council) must be carried out personally, but can be carried out by a deputy nominated by them in cases of absence or illness. Councils may also wish to show the identity of the deputies in the table, noting that it is the function of the relevant officer to appoint each deputy, not the council.*

<sup>65</sup> Porter and Magill (HL) The following part of the Court of Appeal judgement also refers: "Some of the submissions advanced on behalf of the auditor have been framed in such a way as to suggest that any councillor who allows the possibility of electoral advantage even to cross his mind before he decides upon a course of action is guilty of misconduct. That seems to me to be unreal. In local, as in national, politics many if not most decisions carry an electoral price tag, and all politicians are aware of it. In most cases they cannot seriously be expected to disregard it, but they know that if the action which they take is to withstand scrutiny (to be 'judge-proof') there must be sound local government reasons, not just excuses, on which they can rely."

<sup>67</sup> These are the definitions of key decision in Regulation 8 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012. Under reg. 8 (2), in determining the meaning of "significant", regard shall be had to any guidance for the time being issued by the Secretary of State. Guidance includes the following: 7.22 *The Secretary of State is of the view that any decision made by an executive in the course of developing proposals to the full council to amend the policy framework would be a key decision within the definition in regulation 8. Nevertheless, if a decision maker is of the view that any such decision does not fall within the regulation 8 definition then that decision should be treated as a key decision.*

Recent government guidance states 2.28 *It is important that local authorities continue to operate transparently and increase the openness with which they do business. Authorities already operating executive arrangements must publish a forward plan containing details of key decisions they are going to take and they must take such collective decisions in public. We have defined key decisions as those which will result in significant savings or expenditure or which are likely to have a significant impact on two or more electoral divisions or wards within the local authority, or both. 2.29 Following consultation, we believe local authorities are best placed to make the choice as to what constitutes a key decision for this purpose. We plan to review the access to information regime for councils during 2002 at the same time as we are preparing for implementation of the Freedom of Information Act in local government. As part of this, we will work with authorities and the LGA to identify best practice in defining what is a key decision. Comparative information on different authorities' working definitions was issued by LGIU on 8/10/02 Policy Briefing 138/02*

<sup>71</sup> *Prosecutions and Taking Legal Proceedings*-includes reference both to the decision to prosecute or to take or defend proceedings and to the taking of legal proceedings before any Court, tribunal or other judicial or quasi-judicial body and includes full power to institute, compromise and conduct proceedings; to issue cautions; to appeal or further appeal against or apply for judicial review of any judgement or decision; to defend any legal action; to apply for and deal with any question of costs; to appear in proceedings either personally or by any employee of the Council or by agents or by Counsel; and to serve any notice or other process or take any other steps whether of a preliminary, final or provisional nature.

<sup>72</sup> Regulation 8. of the Local Authorities (Executive Arrangements) (Modification of Enactments and Further Provisions) (England) Order 2001 says: (1) *Before a local authority operate executive arrangements under Part II of the 2000 Act they shall make standing orders under section 135 of the 1972 Act (contracts of local authorities) with respect to the making of contracts on their behalf in the course of the discharge of functions which are the responsibility of the executive of that authority.* (2) *The standing orders shall include provision for securing that any contract which - (a) is of or above a value specified in the standing orders by the authority; or (b) is of a description specified in the standing orders by the authority, must be in writing.* (3) *The function of specifying a value or a description of contracts for the purposes of the provisions required by paragraph (2) shall be discharged by the authority themselves and section 101 of the 1972 Act (arrangements for the discharge of functions by local authorities) shall not apply to that function.* (4) *The standing orders shall include provision for securing that any contract to which the provisions required by paragraph (2) apply must - (a) be made under the authority's seal and be attested by at least one officer of the authority..., whether or not the seal is also attested by any member of the authority...; or (b) be signed by at least two officers of the authority, whether or not the contract is also signed by any member of the authority.*

<sup>77</sup> *There is a difference in the process required for change to the executive arrangements than other aspects of the constitution. Proposals to change from one form of executive to another require proper consultation, and change from leader/cabinet or alternative arrangements to an elected mayor form, or vice versa, requires a referendum. However, other changes may require limited or no consultation. The DETR Guidance makes clear that the consultation required should be proportionate to the scale, scope and extent of the change proposed. This Article sets out minimum requirements for Constitutional changes, but councils should be aware that such changes may be prompted not from internal reviews and evaluation of their governance, but from changes in public opinion triggering a mayoral referendum. Local authorities may also wish to adopt procedural rules to ensure that individual members have a clear procedure when they wish to propose to Council that the constitution is changed. Similarly, there will need to be procedures to ensure that proposals for constitutional change are not used to overcome disputes between the executive and other councillors, or even within the executive itself.*

<sup>80</sup> *This Article ensures that the articles of the Constitution may not be suspended. This provides certainty and stability to the fundamental aspects of the Council's governance. However, it does provide for rules of procedure to be suspended provided this is to achieve an effect consistent with the purposes of the Constitution set out in Article 1. This might apply, for example, to rules of debate in Council where particular circumstances arise. However, Councils should design their Constitution to be sufficiently flexible, and in the light of experience with transitional arrangements.*
