Seeing the Big Picture Level: 1	Seeing the big picture is about having an in-depth understanding and knowledge of how your role fits with and supports the council plan and the wider public needs and the national interest. For all staff, it is about focusing your contribution on the activities which will meet the council goals and deliver the greatest value.  For leaders, it is about scanning the political context and taking account of wider impacts to develop long term implementation strategies that maximise opportunities to add value to the customer and support economic,	Interview
Changing and Improving  Level: 1	People who are effective in this area take initiative, are innovative and seek out opportunities to create effective change. For all staff, it's about learning from what has worked as well as what has not, being open to change and improvement, and working in 'smarter', more focused ways.  For leaders, this is about creating and encouraging a culture of innovation and allowing people to consider and take informed decisions. Doing this well means continuously seeking out ways to improve policy implementation and build a leaner, more flexible and responsive council. It also means making use of alternative delivery models including digital and partnership approaches wherever possible.	Interview
Making Effective Decisions  Level: 1	Effectiveness in this area is about using sound judgement, evidence and knowledge to arrive at accurate, expert and professional decisions and advice. For all staff it's being careful and thoughtful about the use and protection of council and public information to ensure it is handled securely and with care.  For leaders it's about reaching evidence based strategies, evaluating options, impacts, risks and solutions and creating a security culture around the handling information. They will aim to maximise return while minimising risk and balancing a range of considerations to provide sustainable outcomes.	Interview
Leading & Communicating Level: 1	At all levels, effectiveness in this area is about showing our pride and passion for public service, communicating purpose and direction with clarity, integrity, and enthusiasm.  It's about championing difference and external experience and supporting principles of fairness of opportunity for all. For leaders, it is about being visible, establishing a strong direction and persuasive future vision; managing and engaging with people in a straightforward, truthful, and candid way.	Interview

Collaborating and Partnering  Level: 1	People skilled in this area are team players. At all levels, it requires working collaboratively, sharing information appropriately and building supportive, trusting and professional relationships with colleagues and a wide range of people within and outside the council, whilst having the confidence to challenge assumptions. For senior leaders, it's about being approachable, delivering business objectives through creating an inclusive environment, welcoming challenge however uncomfortable	Interview
Developing self and others	Effectiveness in this area is having a strong focus on continuous learning for oneself, others and the organisation. For all staff, it's being open to learning,	Interview
Level: 1	about keeping one's own knowledge and skill set current and evolving.  For leaders, it's about investing in the capabilities of our people, to be effective now and in the future as well as giving clear, honest feedback and supporting teams to succeed. It's also about creating a learning and knowledge culture across the organisation to inform future plans and transformational change	
Delivering Value for Money	Delivering value for money involves the efficient, effective and economic use of taxpayers' money in the delivery of	Interview
Level: 1	public services. For all staff, it means seeking out and implementing solutions which achieve the best mix of quality, and effectiveness for the least outlay. People who do this well base their decisions on evidenced information and follow agreed processes and policies, challenging these appropriately where they appear to prevent good value for money.  For leaders it's about embedding a culture of value for money within their area/function. They work collaboratively across boundaries to ensure that the council maximises its strategic outcomes within the resources available	
Managing a Quality Service	Effectiveness in this area is about valuing and modelling professional excellence and expertise to deliver service	Interview
Level: 1	objectives, taking account of diverse customer needs and requirements. People who are effective plan, organise and manage their time and activities to deliver a high quality, secure, reliable and efficient service, applying programme, project and risk management approaches to support service delivery.  For leaders, it is about creating an environment to deliver operational excellence and creating the most appropriate and cost effective delivery models for public services	

Delivering at Pace	Effectiveness in this area means focusing on delivering timely performance with energy and taking responsibility and accountability for quality outcomes. For all staff, it's about working to agreed goals and activities and dealing with challenges in a responsive and constructive way. For leaders, it is about building a performance culture where staff are given space, authority and support to	Interview
Level: 1	deliver outcomes. It's also about keeping a firm focus on priorities and addressing performance issues resolutely, fairly and promptly
